was waiting to have Xmas before you  
wrote to me.

But Sweet Heart I am very glad you have  
not gone to Texas for I want to see you Bad  
I don't know what to do and see if you will  
know me now I got burnt during the big fire  
here and also got cut on the face.

have had a very dull Xmas I have not  
enjoyed my self at all. my Eyes got burnt  
and I could hardly see for 2 or 3 days,  
during Christmas.

Well I guess you had a good time and  
enjoyed yourself Xmas, at least I hope  
you did anyway for I did not myself.  
Oh Say! I saw Lon here Christmas Eve  
and He said he was going to Stephens  
Xmas did you see him or not; don't  
tell him I saw him here because he  
don't know that I did.

You must tell me what for Xmas you  
had and how you have enjoyed yourself  
over
